

Supporter Scheme Benefits

We will send you Supporter membership documentation, occasional newsletters, invitations to RSABI events and from time-to-time, email you updates regarding charitable activity and partnership opportunities. We promise not to bombard supporters with electronic communications. Our annual charitable report is published in the autumn within which recognition is given to all our annual supporters.

We enter your name on our Supporters' roll of honour hosted on our website and listings appear within our newsletters. Corporate and business logos are all highlighted in the roll of honour with a mission statement and contact details. From time-to-time we highlight corporate and business logos of those supporting RSABI in our publications, rotating these on a regular basis to highlight as many of our valued supporters as possible.

We are proud of our Supporters and highlight new support received from corporate and business supporter via social media. We have a range of partnership activities, events and sponsorship opportunities. We are pleased to highlight specific support from our partners in our media activity and public relations offering.

Specifically, for new Supporters:

- **Corporate:** 2 or more supporter badges and 2 or more certificates are mailed to allow you to demonstrate your support for RSABI. A thank you message is included in the mailing.
- **Business:** 1 or more supporter badge and 1 or more certificate are mailed to allow you to demonstrate your support for RSABI. A thank you message is included in the mailing.
- **Individual:** 1 supporter badge and a selection of leaflets are mailed to each new supporter. A thank you message is included in the mailing.

Badges and certification are renewed on an annual basis. An electronic supporter badge is available to allow you to highlight your support digitally.
