THE GREAT SCONE PALACE CHALLENGE

SATURDAY 13TH SEPTEMBER

Let The Games Begin!

How the challenge works

Get ready for a day of countryside chaos and high-energy competition as teams take on four unforgettable challenges across the stunning grounds of Scone Palace.

Each team will compete in every challenge — from bale-rolling and obstacle courses to riddle-solving, laser shooting and tractor pulling. Every challenge is timed or scored, and your team earns points based on performance.

At the end of the day, the team with the highest overall score will be crowned Great Scone Palace Challenge Champions 2025, with prizes awarded by stars of Emmerdale.

There'll also be bonus prizes for best costumes, top fundraisers and standout moments.

Whether you're in it to win or just for the fun, one thing's for sure — it's going to be a day to remember, all in support of RSABl.

£500 per team + £1000 sponsorship pledge

The Great Bale Obstacle Course

Challenge 1

Start strong with a challenge that demands muscle, momentum and full team focus. Your team will have to embark on a powerful push — rolling a full-sized round hay bale 100 metres across the iconic Scone Palace lawn. It's heavy, awkward and tougher than it looks — and it takes true teamwork to keep it moving straight and fast.

But reaching the 100m mark is only half the story.

The second phase kicks in immediately: a fast-paced, unpredictable obstacle course designed to test your agility, coordination and your ability to work together under pressure. Every team member must complete the full course and your final time will depend on how well you move as one.

This is a challenge that builds momentum — physically and competitively. It's all about trust, timing and tackling whatever comes next — together. Finish it right, and you'll carry that team energy straight through the rest of the day.

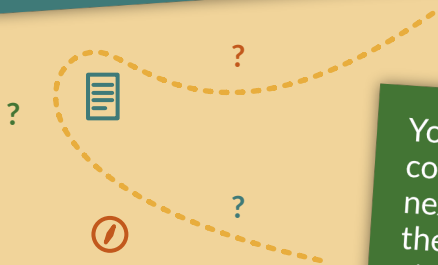

The Palace Pathfinders Quest

Challenge 2

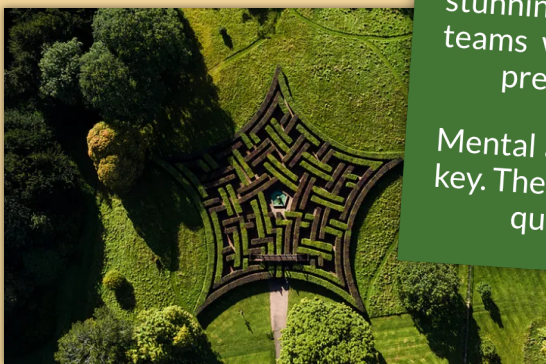

This is not your average treasure hunt — it's a fast-moving, brain-teasing adventure through one of Scotland's most iconic private estates.

Set across the historic grounds and maze of Scone Palace, this challenge will see your team solving riddles, decoding puzzles and following a trail of hidden clues to locate the missing key to the palace wine cellar.

You'll need to move fast, think clearly, and collaborate cleverly. Each clue leads to the next, but nothing comes easy and time is of the essence. Your surroundings are stunning, but don't get distracted — other teams will be racing against you and the pressure will build with every step.

Mental agility and slick communication are key. The most cohesive teams — not just the quickest — will come out on top.

Sugden's Tractor Pull

Challenge 3

Brute strength meets total teamwork in this headline challenge, named after Emmerdale's iconic farming family.

Your team of five will take on a full-sized tractor, strapped in and side-by-side, pulling it across a marked stretch of the palace lawn. There's no coasting here — every inch requires effort, momentum and total coordination. One misstep and you'll lose pace fast.

This challenge is all about rhythm, resilience and digging deep when it counts. The crowd will be cheering. The pressure will be on. The timer will be ticking.

It's a show-stopping moment of grit and glory — and it's guaranteed to leave your legs shaking and your team closer than ever.

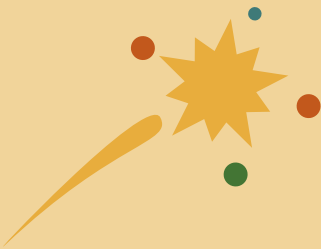

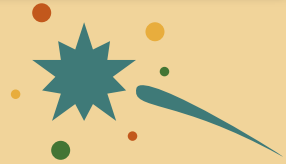

Laser Clay Challenge

Challenge 4

The final challenge. The last chance to climb the leaderboard. One shot — and everything could change.

Set against the backdrop of Scone Palace's sweeping estate, this is where adrenaline meets absolute precision. Armed with cutting-edge laser shotguns, your team will face a barrage of fast-moving clay targets, fired high across the sky. Each shot is tracked and scored in real time — clean, silent and intensely competitive.

You'll need focus. Calm under pressure. And the kind of control that only comes when the crowd fades and all you hear is your own heartbeat. Every hit brings your team closer to the top. Every miss could hand the win to someone else.

It doesn't matter how well you did earlier in the day — if you want to win the Challenge Cup, you'll need to hold your nerve right here.

Take aim. Lock in. And shoot for glory.
